 extraordinary  
 tale of a close-

community and its amazing bond with a very special cat. 'The global sensation' Daily Telegraph When Felix arrived at Yorkshire's Huddersfield Train Station as an eight-week-old kitten, no one knew just how important this little ball of fluff would become. Although she has a vital job to do as 'Senior Pest Controller', Felix is much more than just an employee of TransPennine

Express. Felix changes lives in surprising ways. She is always ready to leap into action and save the day: from bringing a boy with autism out of his shell to providing comfort to a runaway child shivering on the platform one night. So when tragedy hits the team at Huddersfield, it is only Felix who can pull them back together. But a chance friendship with a commuter that she waits for her on the platform every

morning finally gives Felix the recognition she deserves, catapulting her to international stardom . . . that gently explores themes of self-discovery, friendship, healing from tragedy, and hope for a better tomorrow. Struggling with anxiety after witnessing a harrowing instance of gun violence, Manuel Soto copes through photography, using his cell-phone camera to find anchors that keep him grounded. His days are a lonely, latchkey monotony until he's teamed with

his classmates, Sebastian and Caysha, for a group project. Sebastian lives on a grass-fed cattle farm outside of town, and Manuel finds solace in the open fields and in the antics of the newborn calf Sebastian is hand-raising. As Manuel aides his new friends in their preparations for the local county fair, he learns to open up, confronts his deepest fears, and even finds first love. This title will be
