James Baldwin was beginning to be recognized as the most brilliant black writer of his generation when his first book of essays, *Notes of a Native Son*, established his reputation in 1955. No one was more pleased by the book's reception than Baldwin's high school friend Sol Stein. A rising New York editor, novelist, and playwright, Stein had suggested that Baldwin do the book and coaxed his old friend through the long and sometimes agonizing process of putting the volume together and seeing it into print. Now, in this fascinating new book, Sol Stein documents the story of his intense creative partnership with Baldwin through newly uncovered letters, photos, inscriptions, and an illuminating memoir of the friendship that resulted in one of the classics of American literature. Included in this book are the two works they created together—the story “Dark Runner” and the play *Equal in Paris*, both published here for the first time. Though a world of difference separated them—Baldwin was black and gay, living in self-imposed exile in Europe; Stein was Jewish and married, with a growing family to support—the two men shared the same fundamental passion. Nothing mattered more to either of them than telling and writing the truth, which was not always welcome. As Stein wrote Baldwin in a long, heartfelt letter, “You are the only friend with whom I feel comfortable about all three: heart, head, and writing.” In this extraordinary book, Stein unfolds how that shared passion played out in the months surrounding the creation and publication of Baldwin's *Notes of a Native Son*, in which Baldwin's main themes are illuminated. A literary event published to honor the eightieth anniversary of James Baldwin's birth, *Native Sons* is a celebration of one of the most fruitful and influential friendships in American letters.

YAHWEH (The LORD God) and His Son YAHSHUAH (Jesus Christ) made statements with regard to Eschatology that have been “Spiritualized” for over a Millennium, which has led to the belief in Universalism, the belief that YAHSHUAH died for EVERYONE. Well, after one studies the original languages of the Hebrew, Aramaic, and Greek, the message of the Kingdom of God was preached to and accepted by a certain House in the Bible. The other House rejected this message, and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit. There are only the House of Israel, the House of Judah, and the House of David, mentioned in the Bible. All three existed then, as they do today. However, most of today's Babylonian Priesthood/Churchianity refuses to accept the secular historical position with regard to the House of Israel, and who they are today. The people groups, which YAHWEH and YAHSHUAH addressed, still exist today. However, these people are all mixed-up, and known by different names, but they DO exist. This book goes back to the origin of these people groups in the Bible, and brings them forward to the present using their old names, in order to understand Eschatology. This brings us to the major question of, “Is the Bible only about Israel?” And, if so, how does it affect our Eschatology today? This book answers these

In recent history, men from a variety of backgrounds have come to the same conclusion: that the Bible is about Israel only. For example: In 1861, John Mason Neale translated an ancient twelfth century Latin hymn and its title was *O Come, O Come Emmanuel*. Ever since 1861, Christians have sung that hymn at Christmas time, especially at Advent. Do you know what the words really mean that you are singing? In 1878, Edward Hine wrote an article titled, *Seven-Eighths of the Bible Misunderstood*, wherein he explains that seven-eighths of the Bible is about national salvation, i.e. the national salvation of True Israel; whereas, only one-eighth of the Bible is about personal salvation. Did you know that? In the 1960's, Pastor Sheldon Emry wrote an article title, *An Open Letter to Any Minister Who Teaches the Jews Are Israel*, wherein he is of the opinion that the Israel that exists today since 1948 is not the True Israel of the Bible. In 1998, Arnold E. Kennedy wrote a book titled, *The Exclusiveness of Israel*, wherein he legally proves using the King James Version of the Bible that the Bible in general is only about True Israel. So, here we are in the Twenty-First Century, and the Gospel that is preached today is totally convoluted from that which was preached in the First Century A.D. by Yahshuah and His disciples, i.e. the Gospel of the Kingdom. So, where did the so-called churches and pastors go wrong? By the way, is there really a hierarchy in the Bible? In order to find out what the truth really is, we have to look at the

original languages in which the Bible was written and then translated. For example, the Old Testament was written in Hebrew and Aramaic, then translated into Greek. The New Testament was written in Hebrew and Greek. Both Testaments were put together and translated into Latin, then German, and finally into English, from which the entire world received their own translation of the Bible. So, what was the original meaning of the words used in the original languages, i.e. the etymology of the words. Once that is determined, then we can go onto the next phase and discuss types in the Bible. From there, what is the Law of First Mention? How should Bible prophecy be interpreted? Who are the keys to Bible prophecy? Where are we in the Bible prophecy timeline? During these discussions, we will find out who Yahweh chose of all the families of the earth to make His own. The churches teach universalism. The question then becomes, Who was Yahweh's Law given to? What are the Laws of Yahweh? And then the even bigger question becomes, Who was Yahshuah sent to? All of these questions and more will be answered as you read this book...
