OSBORN ROWAN

History of a Suicide Simon and Schuster

Provides teaching suggestions, a skills matrix, and activities to help students increase their critical thinking and problem-solving skills.

The Road Macmillan

Okonkwo is the greatest warrior alive, famous throughout West Africa. But when he accidentally kills a clansman, things begin to fall apart. Then Okonkwo returns from exile to find missionaries and colonial governors have arrived in the village. With his world thrown radically off-balance he can only hurtle towards tragedy. Chinua Achebe's stark novel reshaped both African and world literature. This arresting parable of a proud but powerless man witnessing the ruin of his people begins Achebe's landmark trilogy of works chronicling the fate of one African community, continued in *Arrow of God* and *No Longer at Ease*.

Florence Adler Swims Forever iUniverse

Military Recruiting in the United States provides a fearless and penetrating description of the deceptive practices of the U.S. military as it recruits American youth into the armed forces. Long-time antiwar activist Pat Elder exposes the underworld of American military recruiting in this explosive and consequential book. The book describes how recruiters manage to convince youth to enlist. It details a sophisticated psy-ops campaign directed at children. Elder describes how the military encourages first-person shooter games and places firearms into the hands of thousands using the schools, its JROTC programs, and the Civilian Marksmanship Program to inculcate youth with a reverence for

guns. Previously unpublished investigative work reveals how indoor shooting ranges in schools are threatening the health of children and school staff through exposure to lead particulate matter. The book provides a kind of "what's coming next manual" for European peacemakers as they also confront a rising tide of militarism. The book examines the disturbing, nurturing role of the Catholic Church in recruiting youth. It surveys the wholesale military censorship of Hollywood films, pervasive military testing in the high schools, and an explosion of military programs directed toward youth. 10-Minute Critical-Thinking Activities for English University of Chicago Press

Living in a "perfect" world without social ills, a boy approaches the time when he will receive a life assignment from the Elders, but his selection leads him to a mysterious man known as the Giver, who reveals the dark secrets behind the utopian facade. *Suicide of a Superpower* The Church of Jesus Christ of Latter-day Saints
NATIONAL BESTSELLER • WINNER OF THE PULITZER PRIZE • A searing, post-apocalyptic novel about a father and son's fight to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged

food—and each other. *The Road* is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation. Look for Cormac McCarthy's new novel, *The Passenger*.

Fishing Lessons Henry Holt

This is a frank, compassionate book written to those who contemplate suicide as a way out of their situations. The author issues an invitation to life, helping people accept the imperfections of their lives, and opening eyes to the possibilities of love.

The Giver Simon and Schuster

America is disintegrating. The "one Nation under God, indivisible" of the Pledge of Allegiance is passing away. In a few decades, that America will be gone forever. In its place will arise a country unrecognizable to our parents. This is the thrust of Pat Buchanan's *Suicide of a Superpower*, his most controversial and thought-provoking book to date. Buchanan traces the disintegration to three historic changes: America's loss of her cradle faith, Christianity; the moral, social, and cultural collapse that have followed from that loss; and the slow death of the people who created and ruled the nation. And as our nation disintegrates, our government is failing in its fundamental duties, unable to defend our borders, balance our budgets, or win our wars. How Americans are killing the country they profess to love, and the fate that awaits us if we do not turn around, is what *Suicide of a Superpower* is all about.

The Myth of Sisyphus And Other Essays Penguin UK

Surviving suicide loss is often about telling the story. Each person who dies by suicide leaves behind a life shared with loved ones and a series of events that led to the suicide. Seeking Hope: Stories of the Suicide Bereaved features the stories of fourteen people in their own words of the losses that have forever changed their lives. These stories describe the endurance of traveling through grief. In addition, the proceeds from the book benefit a fund for suicide bereavement research at the American Association of Suicidology. The goal is that the stories shared here will help others who also must travel the same journey seeking hope after a devastating loss.

Ted's Score Simon and Schuster

After twenty-six-year-old author Breece D'J Pancake took his own life in April 1979, the West Virginian's posthumously published short-story collection made a considerable impact on the world of letters. His work was praised for a controlled muscular style reminiscent of Hemingway, for its strong undercurrent of emotion, and for its evocation of the blighted lives of the mountain poor. In *A Room Forever*, Thomas E. Douglass offers a detailed portrait of Pancake's short life, examining the varied circumstances and emotional forces that led to the writer's suicide and exploring Pancake's influence on contemporary fiction generally and Appalachian writing in particular. Drawing on notebooks, letters, and manuscripts left by Pancake as well as numerous conversations and interviews with family, friends, and others, Douglass has recreated the key events of the young artist's life: his West Virginia childhood, his romantic losses, his education as a writer at the University of Virginia, and the acceptance of his work by the East Coast literary establishment. Through analysis of the story fragments reproduced in this volume, including *The Conqueror* and *Shouting Victory*, Douglass illustrates the recurring themes -- such as fear of failure and the inability to escape disaster -- that Pancake expressed so eloquently in his work, and he shows their origins in the writer's own personal history. Douglass examines the degree to which Pancake drew on his memories of life in Appalachia and discusses Pancake's influence on other Appalachian writers such as Pinckney Benedict. Douglass argues that Pancake's posthumous collection, *The Stories of Breece D'J Pancake*, brought a renewed interest in regional writing to the national literary scene. *A Room Forever* brings to

life the artistic sensibility and inner turmoil of a legendary figure in contemporary southern letters.

No Longer Human Random House

For much of his thirties, Jesse Bering thought he was probably going to kill himself. He was a successful psychologist and writer, with books to his name and bylines in major magazines. But none of that mattered. The impulse to take his own life remained. At times it felt all but inescapable. Bering survived. And in addition to relief, the fading of his suicidal thoughts brought curiosity. Where had they come from? Would they return? Is the suicidal impulse found in other animals? Or is our vulnerability to suicide a uniquely human evolutionary development? In *Suicidal*, Bering answers all these questions and more, taking us through the science and psychology of suicide, revealing its cognitive secrets and the subtle tricks our minds play on us when we're easy emotional prey. Scientific studies, personal stories, and remarkable cross-species comparisons come together to help readers critically analyze their own doomsday thoughts while gaining broad insight into a problem that, tragically, will most likely touch all of us at some point in our lives. But while the subject is certainly a heavy one, Bering's touch is light. Having been through this himself, he knows that sometimes the most effective response to our darkest moments is a gentle humor, one that, while not denying the seriousness of suffering, at the same time acknowledges our complicated, flawed, and yet precious existence. Authoritative, accessible, personal, profound—there's never been a book on suicide like this. It will help you understand yourself and your loved ones, and it will change the way you think about this most vexing of human problems.

Veronika Decides to Die Simon and Schuster

The author presents an account of her sister's suicide, and the lifelong impact that the suicide has had on her own life and the lives of the other members of her family.

Suicide Crossroad Publishing Company

She wanted to die. God had other plans. Why does my life have to be so painful? What's wrong with me? It's not going to get better. It could all be over soon, and then I won't hurt anymore. Kristen Anderson thought she had the picture-perfect life until strokes of gray dimmed her outlook: three friends and her grandmother died within two years. Still reeling from these losses, she was raped by a friend she thought she could trust. She soon spiraled into a

seemingly bottomless depression. One January night, the seventeen-year-old decided she no longer wanted to deal with the emotional pain that smothered her. She lay down on a set of cold railroad tracks and waited for a freight train to send her to heaven...and peace. But Kristen's story doesn't end there. In *Life, In Spite of Me* this remarkably joyful young woman shares the miracle of her survival, the agonizing aftermath of her failed suicide attempt, and the hope that has completely transformed her life, giving her a powerful purpose for living. Her gripping story of finding joy against all odds provides a vivid and unforgettable reminder that life is a gift to be treasured. Includes notes of encouragement Kristen wishes she had received when she was struggling most.

I Am Not Your Perfect Mexican Daughter Vintage

Presenting cases - recounted in the patients' own words - that reveal the inner workings of the suicidal mind, Shneidman looks at suicide from a psychological perspective. He offers a wealth of insights to help understand and to prevent suicide.

Military Recruiting in the United States Harper Collins

Three boys struggle to come to terms with the death of a friend in a drunk-driving auto accident in which all four were involved, in a story told through newspaper stories, diary entries, school announcements, telephone conversations, and classroom assignments.

Night Falls Fast Multnomah

One of the most influential works of this century, *The Myth of Sisyphus and Other Essays* is a crucial exposition of existentialist thought. Influenced by works such as *Don Juan* and the novels of Kafka, these essays begin with a meditation on suicide; the question of living or not living in a universe devoid of order or meaning. With lyric eloquence, Albert Camus brilliantly posits a way out of despair, reaffirming the value of personal existence, and the possibility of life lived with dignity and authenticity.

A Room Forever Heinemann

"The perfect summer read" (USA TODAY) begins with a shocking tragedy that results in three generations of the Adler family grappling with heartbreak, romance, and the weight of family secrets over the course of one summer. *A New York Times Book Review Editors' Choice * One of USA TODAY's "Best Books of 2020" * One of Good Morning America's "25 Novels You'll Want to Read This Summer" * One of Parade's "26 Best Books to Read

This Summer” Atlantic City, 1934. Every summer, Esther and Joseph Adler rent their house out to vacationers escaping to “America’s Playground” and move into the small apartment above their bakery. Despite the cramped quarters, this is the apartment where they raised their two daughters, Fannie and Florence, and it always feels like home. Now, Florence has returned from college, determined to spend the summer training to swim the English Channel, and Fannie, pregnant again after recently losing a baby, is on bedrest for the duration of her pregnancy. After Joseph insists they take in a mysterious young woman whom he recently helped emigrate from Nazi Germany, the apartment is bursting at the seams. Esther only wants to keep her daughters close and safe but some matters are beyond her control: there’s Fannie’s risky pregnancy—not to mention her always-scheming husband, Isaac—and the fact that the handsome heir of a hotel notorious for its anti-Semitic policies, seems to be in love with Florence. When tragedy strikes, Esther makes the shocking decision to hide the truth—at least until Fannie’s baby is born—and pulls the family into an elaborate web of secret-keeping and lies, bringing long-buried tensions to the surface that reveal how quickly the act of protecting those we love can turn into betrayal. “Readers of Emma Straub and Curtis Sittenfeld will devour this richly drawn debut family saga” (Library Journal) that’s based on a true story and is a breathtaking portrayal of how the human spirit can endure—and even thrive—after tragedy.

#1 NEW YORK TIMES BESTSELLER • A “stunning” (America Ferrera) YA novel about a teenager coming to terms with losing her sister and finding herself amid the pressures, expectations, and stereotypes of growing up in a Mexican American home. “Alive and crackling—a gritty tale wrapped in a page-turner.”—The New York Times Perfect Mexican daughters do not go away to college. And they do not move out of their parents’ house after high school graduation. Perfect Mexican daughters never abandon their family. But Julia is not your perfect Mexican daughter. That was Olga’s role. Then a tragic accident on the busiest street in Chicago leaves Olga dead and Julia left behind to reassemble the shattered pieces of her family. And no one seems to acknowledge that Julia is broken, too. Instead, her mother seems to channel her grief into pointing out every possible way Julia has failed. But it’s not long before Julia discovers that Olga might not have been as perfect as everyone thought. With the help of her best friend Lorena, and her first love, first everything boyfriend Connor, Julia is determined to find out. Was Olga really what she seemed? Or was there more to her sister’s story? And either way, how can Julia even attempt to live up to a seemingly impossible ideal?

You’ll never forget your first time...reading Forever, Judy Blume’s groundbreaking novel about teen sexuality, as an ebook. When you build up something in your mind—really imagine it, wish for it—sometimes, when it actually happens, it doesn’t live up to your expectations. True love is nothing like that. Especially not for Katherine and Michael, who can’t get enough of each other. Their relationship is unique: sincere, intense, and fun all at the same time. Although they haven’t been together all that long, they know it’s serious. A whole world opens up as young passion and sexuality bloom. But it’s senior year of high school, and there are big changes ahead. Michael and Katherine are destined for another big “first”: a decision. Is this the love of a lifetime, or the very beginning of a lifetime of love?
