Have you ever stopped praying? When life seems unfair and prayer doesn't seem to make any difference, you may quit praying. Most people who admit that they stopped praying for a while, including the author, say they felt as if they were suffocating after a period without prayer. "Sometimes I think God has called me to speak, write, and teach about prayer so I won't give up on it altogether," writes Harper. "After more than forty years of praying, I still don't understand prayer. ...Prayer does not come easily for me." "In the pages of this book," Harper continues, "I will ask you to roll up your sleeves and confront your problems with prayer—and then keep praying. Sometimes you will feel as though you are talking in the dark. But the fact is, sound travels in both darkness and light." If you're frustrated in your prayer life and wonder whether prayer is worth the effort, this book is for you. Nothing daunts Harper in this wrangle with God. No doubt, experience, or unholy feeling is out of bounds as he considers life and prayer's dark patches. No matter how lost or lonely you feel, he offers assurance. During days when you feel the number one problem with prayer is an unresponsive God, you'll have the strength to dig deeper and surrender to the mysterious sustenance God offers. As you read Harper's brutally honest stories and follow his advice on how to cultivate a prayer life, you'll discover the kind of prayer that makes you want to continue even though everything in you wants to quit.

In this second volume of the Called Out of Darkness trilogy, Father Robert Spitzer, S.J., draws together some of the best advice given by Catholic spiritual masters across the ages and brings it into harmony with modern scientific research, offering practical ways to live out the gospel in our busy days. It is a roadmap to a deeper relationship with the Lord and to authentic transformation through the imitation of Christ. Giving evidence that Jesus established just one Church, with Peter as its head, Spitzer shows that the Catholic Church—with its rich array of sacraments, teachings, prayer traditions, and lived examples of holiness—continues to be fertile ground for profound Christian conversion. But no true conversion is purely spiritual; it must bear fruit in our daily lives. Father Spitzer guides readers through the workings of moral transformation, with detailed sketches of all the cardinal and theological virtues, especially love. Using insights from Saint Ignatius of Loyola, as well as from modern psychology, *Escape from Evil's Darkness* concludes with an in-depth study of the sacrament of confession and the staggering power of God's loving mercy.

For the medieval mystical tradition, the Christian soul meets God in a 'cloud of unknowing', a divine darkness of ignorance. This meeting with God is beyond all knowing and beyond all experiencing. Mysticism of the modern period, on the contrary, place 'mystical experience' at the centre, and contemporary readers are inclined to misunderstand the medieval tradition in 'experientialist' terms. Denys Turner argues that the distinctiveness and contemporary relevance of medieval mysticism lies precisely in its rejection of 'mystical experience', and locates the mystical firmly within the grasp of the ordinary and the everyday. The argument covers some central authorities in the period from Augustine to John of the Cross.

Spiritual Warfare Prayer is vital to the fabric for a continual presence of the Kingdom of God upon its sovereignty. Spiritual prayers for the protection of a nation, its people, its borders, its region, its state, its city, its community and economic welfare are found throughout scriptures in the Bible. The art or design of prayer does not have to be conformed within any particular form or style, but rather a confident communication with God that Him alone provides the protection and covering for His people, home, ministry, borders, and nation. Spiritual Warfare Prayers are designed first and foremost to combat the constant attacks of the enemy and its host of demon spirits. But the prayer starts with the Body of Christ, and its Kingdom Citizenship that represents the church, that represents a community, that represents a home or family. With a strong and solid foundation from a small group of 2 to a multitude of thousands, a person or a people praying for to God, the Father, God the Son and God, the Holy Spirit, brings about a type of covering that surpasses conventional thinking or mindset. Praying against an enemy that the word of God says in 1 Peter 5:8 [AMP], Be well balanced (temperate, sober of mind), be vigilant and cautious at all times; for that enemy of yours, the devil, roams around like a lion roaring in fierce hunger, seeking someone to seize upon and devour. Prayer keeps that counterfeit lion, the devil at a distance. The words that are released in prayer against the enemy, becomes a barrage upon the types of garrisons or fortresses its demonic host try to erect to keep Gods people from being free from the clutches of its nature.

In fact, prayer in the church often gets subtly pushed to the side in favor of pragmatic practices that promise tangible results. This book focuses on the necessity of regular prayer as a central practice in the local church—awakening us to the need and blessing of corporate prayer by examining what Jesus taught about prayer, how the first Christians approached prayer, and how to prioritize prayer in our congregations.
