The Book of Basketball inchworm Press

In '77, blood from each member of the rock band KISS was drawn by a registered nurse and poured into vats of red ink used for printing the band's first comic book. It was created by Marvel legend Stan Lee and was the beginning of a hugely successful KISS comic book franchise. All are now out of print. Now, for the first time, the KISS Kompendium combines the most breathtaking KISS comic books into a lush oversized collector's compilation. Brought to life by graphic illustrations as riveting and hardcore as the band's real-life fire-breathing line-up, the Demon (Gene Simmons), Starchild (Paul Stanley), and the other band members' superhero alter egos defeat evil in over 1200 pages of stunning KISS comics! This is a book authorized by KISS. KISS founding members Gene Simmons, a rock legend and star of A&E's Family Jewels, and Paul Stanley have contributed the forewords to this. The book also includes exclusive never-before-seen backstage photos from KISS' newest tour along with commentary by the band-members. This is a must-have for every KISS fan eagerly awaiting the band's new album, their first in over 10 years, and a perfect holiday gift for comic-book lovers to pour over time and time again.

Louis Rivers, Ph.D., looks back at the accomplishments of a successful black family in Savannah, Georgia, with a detailed

family history that celebrates hard work, black pride, and faith. The author has known the Simmons family his entire life, having gone to East Broad Street Elementary Public School with the Simmons, then to Beach Cuyler Public High Schools with the Simmons, and on to Georgia State College (now Savannah State University) with the Simmons. He also attended St. James A.M.E. Church with the Simmons. Beginning in 1920 when Walter Wallie Simmons married Daisy Alice Simmons, youll follow the family on their journey from Bluffton, South Carolina, to Savannah. By the time they moved with their first four children Marie, John, Nellie, and Bessiethe Simmons were already confirmed A.M.E. Christians committed to the teachings of Jesus. The Simmons became one of Savannahs most supreme, hardest-working families, and despite the many struggles they faced during World War I, the Great Depression, World War II, the Cold War years, and Jim Crowism, they have survived and prospered. Celebrate the value of never giving up, and discover insights on achieving success with *The Sun Shines on the Simmons Family in Savannah, Ga.*

Commerce Business Daily James M. Spears

Prisoners' Self-Help Litigation Manual, in its much-anticipated fourth edition, is an indispensable guide for prisoners and prisoner advocates seeking to understand the rights guaranteed to prisoners by law and how to protect those rights. Clear, comprehensive, practical advice provides prisoners with everything they need to know on conditions of confinement, civil liberties in prison, procedural due process, the legal system, how to litigate, conducting effective legal research, and writing legal documents. Written by two legal and penitentiary experts with intimate knowledge of prisoner's rights and legal aid work, authors John Boston and Daniel E. Manville strategically focus on federal constitutional law, providing prisoners and those wishing to assist them with the most important information concerning

legal rights. Over the past decade, prison law and conditions have changed significantly. This new edition is updated to include the most relevant prisoners' rights topics and approaches to litigation. Updates include all aspects of prison life as well as material on legal research, legal writing, types of legal remedies, and how to effectively use those remedies. Certainly the most authoritative, well-organized and relevant prisoner's rights manual available - - the eagerly awaited fourth edition should be purchased by everyone interested in civil rights for the incarcerated.

Family Practices in Migration St. Martin's Press

For the first time, the incredible true story of the legendary band, The Doobie Brothers, written by founding members Pat Simmons and Tom Johnston. Only a very few rock bands have had the longevity, success, and drama of The Doobie Brothers. Born out of late 1960s NorCal, and led by Pat Simmons and Tom Johnston, they stood alongside their contemporaries The Grateful Dead, The Allman Brothers, and many others as an iconic American rock band. The train was rolling along, hits were flowing like wine, and arenas were packed with fans who wanted to see them live...then Tom Johnston, the band's front man and lead guitarist, became ill and had to leave. The Doobies' train came to a screeching halt. All of a sudden the band started contemplating the end of the road only seven years into their career, just as things were taking off. But Pat Simmons made sure they were far from the end and began the process of keeping the band together through most of the next decade. A soul-steeped backup singer for Steely Dan named Michael McDonald took a shot at singing some of the Doobies' songs on tour, and all of a sudden a new chapter in the Doobie Brothers' story began. The band expanded their sound and had even more hits with their new front addition. Tom recovered from his health issues, but the band had moved on. When it came time for a reunion concert in the '80s, Tom got the

call and was back in the mix. Led once again by Pat and Tom, The Doobie Brothers have been touring ever since and maintain a massive fan base the world over. Never before have Pat and Tom shared their story, in their own words. In *Long Train Runnin'* they'll change that.

Two Trees Standing Citadel Press

When Fred Tarrasco retired from teaching, he thought he had his next career all locked up. It wasn't to be. A loving teacher for many years, Fred now found himself at loose ends. He had worked since he was twelve, become a full-fledged teacher at twenty-four, and now in his midfifties, was adrift. Many wonderful experiences to look back upon. Great students, many of whom he was a father figure to. Lots of laughs. Lots of terrific lessons and colleagues. But also, some nutcases. And outright c

The story of the Brown family probably began in Monroe County in what is now Walton Co., Ga. sometime in the 1830's. Crawford Brown was sold by his father, a Walton County lawyer by the name of Crawford Crane or Crane Brown, to plantation owner, George Rowland Brown. Plantation was located in Lumpkin, Stewart County. There he met and married Tobitha Brown. They were parents of ten or more children. Their oldest son, Charlie Curtis Brown (b. ca. 1854), was the great-grandfather of the author. The earliest ancestors of the White family, James (b. ca. 1840) and Noble White, were of Savannah, Chatham Co., Georgia. *The American Cookbook* Copyright Office, Library of Congress
A Handy Dandy Notebook that helps manage the often chaotic events that are family reunions. Use to keep track of your more obscure relatives!

Family Separation and Reunion St. Martin's Griffin

For the first time, popular weight-loss guru Richard Simmons reveals his lifelong love affair with food in a humorous, moving, and candid autobiography.

Faculty of Lies ESPN

EVERY FAMILY HAS ITS SECRETS. SOME ARE JUST TOO HARD TO TELL ---BUT TOO HOT TO KEEP. . . It's been fifteen years since the Bennetts were all in one place, at one time, and now at a total blowout of a reunion four special cousins' hidden desires and long-kept secrets will challenge their bond, test their courage, and change their hearts forever. . . Taya is a hair stylist with big ambitions. She's trusted the wrong men in the past and now she determined to land the right one, no matter who stands in her way. Michael is a widowed airline pilot struggling to manage his teenage daughter, but turbulence comes when a new passion enters his life. Alexia was the chubby little girl who has turned into a sexy superstar who seems to have it all. . .except the one thing she's always wanted to make her life complete: a child. Now she has the perfect man in mind to be the father of her child. . .without his knowledge. Rae'jean is the pretty young doctor engaged to be married, but happiness still eludes her because her past is shrouded in mystery. And before she can say "I do" she must come home to finally learn the truth.

Gender and Migration St. Martin's Griffin

The Beatles Generation are the post-war baby boomers whose secondary education coincided with the rise of the Fab Four, and the widespread cultural changes that ran in parallel throughout the 1960s. Colin Anscombe is one of that generation; his recurring dreams of schooldays and his infatuation with classmate Katy Simmons, have played on his mind for many years. Through the opportunities provided by social networking and the Internet, Colin has made contact with a number of his old classmates and when the reader joins him, he is looking forward to meeting a small group of them for a reunion later in the day. Born and bred New Zealander, Brian Jacko Jackson, attended the same school as Colin for a brief period during the mid-1960s, and by coincidence finds himself back in England for the first time in nearly forty years. He is en-route to meet up with Colin in the town where they both lived as boys, before they travel to see former classmate Ian Harrison who is hosting the reunion. As the day unfolds the narrative switches between the 1960s and the early twenty first century as the group discuss their memories from those schooldays and the intervening years. All of the group have their own stories; whether they choose to share them or not is largely down to the flow of conversation. Jacko in particular carries a heavy weight and there is an air of mystery that shrouds

him; never revealing much and invariably diverting attention away from himself by spinning a yarn or two. For the group, the order of the day is nostalgia, nostalgia, nostalgia.

Little Mo's Legacy Routledge

"This book serves up the American cookbook as a tasty sampler of history, geography, and culture, revealing the influence of political events (e.g. wartime rationing), social movements (temperance), and technological change (new packaging and cooking methods)"--Provided by publisher.

The Publishers Weekly Harper Collins

NEW YORK TIMES BESTSELLER • The NBA according to The Sports Guy—now updated with fresh takes on LeBron, the Celtics, and more! Foreword by Malcom Gladwell • “The work of a true fan . . . it might just represent the next phase of sports commentary.”—The Atlantic Bill Simmons, the wildly opinionated and thoroughly entertaining basketball addict known to millions as ESPN’s The Sports Guy, has written the definitive book on the past, present, and future of the NBA. From the age-old question of who actually won the rivalry between Bill Russell and Wilt Chamberlain to the one about which team was truly the best of all time, Simmons opens—and then closes, once and for all—every major pro basketball debate. Then he takes it further by completely reevaluating not only how NBA Hall of Fame inductees should be chosen but how the institution must be reshaped from the ground up, the result being the Pyramid: Simmons’s one-of-a-kind five-level shrine to the ninety-six greatest players in the history of pro basketball. And ultimately he takes fans to the heart of it all, as he uses a conversation with one NBA great to uncover that coveted thing: The Secret of Basketball.

Comprehensive, authoritative, controversial, hilarious, and impossible to put down (even for Celtic-haters), *The Book of Basketball* offers every hardwood fan a courtside seat beside the game’s finest, funniest, and fiercest chronicler.

Still Hungry-- After All These Years McFarland

African American Research Perspectives John Wiley & Sons

The self-proclaimed “Hottest Band in the World,” KISS is one of the most popular groups in the history of rock, having sold more than 100 million albums during their more than 40-year reign. With more gold albums than any other American band, they were

inducted into the Rock and Roll Hall of Fame in 2014. KISS influenced a generation of musicians, from Garth Brooks and Mötley Crüe to Nirvana and the Red Hot Chili Peppers. The original leather-clad, makeup-wearing line-up—Ace “Spaceman” Frehley, Gene “Demon” Simmons, Paul “Starchild” Stanley and Peter “Catman” Criss—and their classic hits “Beth” and “Rock and Roll All Nite” are forever etched in pop culture consciousness. This encyclopedia of all things KISS provides detailed information on their songs, albums, tours, television and movie appearances, merchandise, solo work and much more, including replacement members Eric Carr, Vinnie Vincent, Bruce Kulick, Mark St. John, Eric Singer and Tommy Thayer.

Obeying Evil Crown Archetype

You wanted the truth, you got the truth—the hottest book in the world! Fueled by an explosive mix of makeup, costumes, and attitude, KISS burst onto the music scene thirty years ago and has become a rock institution. The band has sold more than eighty million records, has broken every concert attendance record set by Elvis Presley and the Beatles, stands behind the Beatles alone in number of gold records from any group in history, and has spawned more than 2,500 licenses. There would have been no KISS without Gene Simmons, the outrageous star whose superlong tongue, legendary sexual exploits, and demonic makeup have made him a rock icon. KISS and Make-Up is the wild, shocking, unbelievable story, from the man himself, about how an immigrant boy from Israel studied to be a rabbi, was saved by rock and roll, and became one of the most notorious rock stars the world has ever seen. Before Gene Simmons there was Chaim Witz, a boy from Haifa, Israel, who had no inkling of the life that lay ahead of him. In vivid detail Gene recounts his childhood growing up in Haifa under the watchful eye of his beloved, strong-willed mother, a concentration camp survivor; his adolescent years attending a Jewish theological center for rabbinical studies in Brooklyn; his love of all things American, including comic books, superheroes, and cowboys; and his early

fascination with girls and sex, which prompted him to start a rock band in school after he saw the Beatles on The Ed Sullivan Show. KISS and Make-Up is not just the classic story of achieving the American dream through the eyes of an immigrant boy making good, but a juicy, rollicking rock and roll read that takes you along for the ride of your life with KISS, from the 1970s, when they were the biggest band in the world, through the '80s, when they took off their world-famous war paint, and into the '90s, when they came back bigger and badder than ever to become the number one touring band in the world. In his own irreverent, unapologetic voice, Gene talks about the girls (4,600 of them and counting); his tight bond with KISS cofounder Paul Stanley; the struggles he and Paul had with Ace Frehley and Peter Criss and their departures from the group; the new band members and Eric Carr's untimely death; the enormous love and affection he has for the people who put him there in the first place—the KISS Army and the ever-loyal KISS fans around the world; his love life, including stories about his relationships with Cher and Diana Ross and with Shannon Tweed, Playmate of the Year, mother of his son and daughter, and his companion of eighteen years; and much more. Full of dozens of photographs, many never-before-seen pictures from Gene's private collection, KISS and Make-Up is a surprising, intimate look at the man behind the mask. For the first time Gene reveals all the facets of his complex personality—son, rock star, actor, record producer, businessman, ladies' man, devoted father, and now author.

Jet Hillcrest Publishing Group

Gender roles, relations, and ideologies are major aspects of migration. This timely book argues that understanding gender relations is vital to a full and more nuanced explanation of both the causes and the consequences of migration, in the past and at present. Through an exploration of gendered labor markets, laws and policies, and the transnational model of migration, Caroline Brettell tackles a variety of issues such as how gender shapes the roles that men and women play in the construction of immigrant

family and community life, debates concerning transnational motherhood, and how gender structures the immigrant experience for men and women more broadly. This book will appeal to students and scholars of immigration, race and ethnicity, and gender studies and offers a definitive guide to the key conceptual issues surrounding gender and migration.

The Beatles Generation Oxford University Press

The papers in this volume comprise the refereed proceedings of the Second IFIP International Conference on Computer and Computing Technologies in Agriculture (CCTA2008), in Beijing, China, 2008. The conference on the Second IFIP International Conference on Computer and Computing Technologies in Agriculture (CCTA 2008) is cooperatively sponsored and organized by the China Agricultural University (CAU), the National Engineering Research Center for Information Technology in Agriculture (NERCITA), the Chinese Society of Agricultural Engineering (CSAE), International Federation for Information Processing (IFIP), Beijing Society for Information Technology in Agriculture, China and Beijing Research Center for Agro-products Test and Farmland Inspection, China. The related departments of China's central government bodies like: Ministry of Science and Technology, Ministry of Industry and Information Technology, Ministry of Education and the Beijing Municipal Natural Science Foundation, Beijing Academy of Agricultural and Forestry Sciences, etc. have greatly contributed and supported to this event. The conference is as good platform to bring together scientists and researchers, agronomists and information engineers, extension servers and entrepreneurs from a range of disciplines concerned with impact of Information technology for sustainable agriculture and rural development. The representatives of all the supporting organizations, a group of invited speakers, experts and researchers from more than 15 countries, such as: the Netherlands, Spain, Portugal, Mexico, Germany, Greece, Australia, Estonia, Japan, Korea, India, Iran, Nigeria, Brazil, China, etc.
