*How To Be a Tudor* Thomas Nelson  
Named one of the Best Books of the Year  
by NPR A New York Times Book Review

Editors Choice Selection An erudite romp through the intimate details of life in Tudor England, "Goodman's latest...is a revelation" (New York Times Book Review). On the heels of her triumphant *How to Be a Victorian*, Ruth Goodman travels even further back in English history to the era closest to her heart, the dramatic period from the crowning of Henry VII to the death of Elizabeth I. A celebrated master of British social and domestic history, Ruth Goodman draws on her own adventures living in re-created Tudor conditions to serve as our intrepid guide to sixteenth-century living. Proceeding from daybreak to bedtime, this "immersive, engrossing" (Slate) work pays tribute to the lives of those who labored through the era. From using soot from candle wax as

toothpaste to malting grain for homemade ale, from the gruesome sport of bear-baiting to cuckolding and cross-dressing—the madcap habits and revealing intimacies of life in the time of Shakespeare are vividly rendered for the insatiably curious.

*The Man's Book* JHU Press

TRAVEL BACK IN TIME WITH THE BBC'S RUTH GOODMAN We know what life was like for Victoria and Albert. But what was it like for a commoner - like you or me? How did it feel to cook with coal and wash with tea leaves? Drink beer for breakfast and clean your teeth with cuttlefish? Catch the omnibus to work and do the laundry in your corset? How to be a Victorian by Ruth Goodman is a radical new approach to history; a journey back in time more personal than

anything before. Moving through the rhythm of the day, this astonishing guide illuminates the overlapping worlds of health, sex, fashion, food, school, work and play. Surviving everyday life came down to the gritty details, the small necessities and tricks of living and Ruth will show you how. If you liked A Time Traveller's Guide to Medieval England or 1000 Years of Annoying the French, you will love this book. \_\_\_\_\_

'Goodman skilfully creates a portrait of daily Victorian life with accessible, compelling, and deeply sensory prose' Erin Entrada Kelly 'We're lucky to have such a knowledgeable cicerone as Ruth Goodman . . . Revelatory' Alexandra Kimball 'Goodman's research is impeccable . . . taking the reader through an average day and presenting

the oddities of life without condescension' Patricia Hagen *The Man's Guide to Women* U of Nebraska Press

A publishing sensation long at the top of the best-seller lists in Israel, the original Hebrew edition of Maimonides and the Book That Changed Judaism has been called the most successful book ever published in Israel on the preeminent medieval Jewish thinker Moses Maimonides. The works of Maimonides, particularly *The Guide for the Perplexed*, are reckoned among the fundamental texts that influenced all subsequent Jewish philosophy and also proved to be highly influential in Christian and Islamic thought. Spanning subjects ranging from God, prophecy, miracles, revelation, and evil, to politics, messianism, reason in

religion, and the therapeutic role of doubt, Maimonides and the Book That Changed Judaism elucidates the complex ideas of The Guide in remarkably clear and engaging prose. Drawing on his own experience as a central figure in the current Israeli renaissance of Jewish culture and spirituality, Micah Goodman brings Maimonides's masterwork into dialogue with the intellectual and spiritual worlds of twenty-first-century readers. Goodman contends that in Maimonides's view, the Torah's purpose is not to bring clarity about God but rather to make us realize that we do not understand God at all; not to resolve inscrutable religious issues but to give us insight into the true nature and purpose of our lives.

### **Raising Boys to Be Good Men**

Springer Publishing Company  
Somewhere along the way, our culture lost its definition of manhood, leaving generations of men and men-to-be confused about their roles, responsibilities, relationships, and the reason God made them men. It's into this "no man's land" that New York Times bestselling author Mark Batterson declares his mantra for manhood: play the man. In this inspiring call to something greater, he helps men understand what it means to be a man of God by unveiling seven virtues of manhood. Mark shares inspiring stories of manhood, including the true story of the hero and martyr Polycarp, who first heard the voice from heaven say, "Play the man." Mark couples those stories with practical ideas about how to disciple

the next generation of men. This is more than a book; it's a movement of men who will settle for nothing less than fulfilling their highest calling to be the man and the father God has destined them to be. Play the man. Make the man.

*Get Off the Grid!* iUniverse

A self-help book in which Bradley Brown shares the things that he has learned in his life that give him pleasure and help him to lead a brilliant life. Leading a brilliant life is in part about being able to do things that make you happy, but also doing things that add to or support who you are as a person. His philosophy is that we only have one go at life ? so we must do all we can to create a brilliant life.

*Find a Good Man and Keep Him* Baker

Books

Good men are everywhere, and they are searching for terrific women. So why are they hard to find? And why do so many women make life-altering mistakes by choosing the wrong men? The answer is distressingly simple. Good men don't always know how to attract women, and women don't always recognize good men. But don't despair! The Practical Guide to Men holds time-tested wisdom for spotting good men who are searching for great relationships. You'll learn...\* The three pillars of a good man. Men of character possess these basic traits.\* The twelve-point man inspection. These questions will help you evaluate his relationship readiness.\* Ten self-deceptions that lead to costly relationship errors. Find out how to avoid

common mistakes women make when choosing men. Written by a happily married man who is also a clinical psychologist, *The Practical Guide to Men* is a celebration of romance, and it's the perfect guide to finding love in these complex times.

*A Good Man Is Hard to Find* Saint Paul Press

God invites every young man to a life of awesomeness, but most guys miss out. They settle for fantasy adventures and fake women, wasting their days with their eyes glued to a screen. Using a few words, some great illustrations and dozens of video clips, this guide will help you find a life worth living. It also answers the questions that many young men are asking: \*If God wants me to live an awesome life, why am I so bored?

\*What's the big deal with porn? \*When is the right time to start dating? \*Why should I save sex for marriage? \*How can I start building an awesome life today? Whether you are 13 or 23, this guide will help you to avoid some of the land mines that young men typically step on. It will point you towards the awesome, exciting, passionate life that God has planned for you. \*This guy-friendly book includes links to 25 short video clips to illustrate and enhance the content as you read.

Lockwood weaves Scripture, Church teaching and everyday stories from Babe

Ruths funeral to the authors doomed efforts to make the varsity basketball team revealing the virtues for what they really are: a call to action and our tie to the living God. The virtuous life isnt just the good life; its the best life, the life you were made for.

*Good Man* Morgan Kaufmann

Named a 2013 PROSE Award Honorable Mention in Nursing and Allied Health Sciences Winner of the Dr. Gene Tranbarger Writing Award from the American Assembly for Men in Nursing "Though O'Lynn emphasizes a male perspective on becoming a nurse, this book should be required reading for anyone thinking about entering the nursing profession....The section on nursing education from the perspective of both students and instructors is worth

the price of the book....Highly recommended."--Choice: Current Reviews for Academic Libraries "I love this book. It has inspired and motivated me to continue to do something for men in nursing at the college where I teach as well as for men in our delivery rooms and postpartum units. We need to move beyond women and children and include men as fathers to truly promote wellness for families." --Janet Ierardi, MSN, RNC, CNE Assistant Professor Family Focused Nursing Lawrence Memorial/Regis College Nursing Program This is a nuts and bolts guide to a career in nursing--from the earliest consideration of a nursing career through education and clinical practice--designed specifically for men. Written by the author of *Men in Nursing: History, Challenges and*

Opportunities, it was created at the request of numerous colleagues for a book that addressed the practical needs and concerns of men throughout their nursing career journey. The text presents the numerous career paths available in nursing along with a consideration of their financial benefits, job security, personal fulfillment, and the need for nurses who are adept at information management and high tech-skills. The history of nursing is discussed through biographies of nine remarkable male nurses, offering much needed historical role models. The guide discusses strategies for dealing with a rigorous nursing curriculum compounded by the challenges of anti-male sentiment that is sometimes present. It takes the reader from day one of nursing school

through the licensing exam and also addresses the specific needs of second-degree and accelerated program students. The book discusses the obstacles that may result from cross-gender nursing communication and relationships with a focus on teamwork. Also covered are professional development and leadership concerns in light of criticism from some women that men advance for self-serving reasons or “on the backs” of women colleagues. Key Features: Discusses how to navigate the rigors of nursing school along with strategies for success Explains how cope with anti-male sentiment Describes how to create an application that stands out from the pack Helps male students to boost caring skills and touch patients in ways that reflect professionalism,

empathy, and skill Includes helpful advice for landing a first job

Hachette UK

Results from world-renowned relationship expert John Gottman's famous Love Lab have proven an incredible truth: Men make or break relationships. Based on 40 years of research, The Man's Guide to Women unlocks the mystery of how to attract, satisfy, and succeed with a woman for a lifetime. For the first time ever, there is a science-based answer to the age-old question: What do women really want in a man? Dr. Gottman, author of the New

York Times bestseller *The Seven Principles for Making Marriage Work*, and his wife and collaborator, clinical psychologist Julie Schwartz Gottman, PhD, have pored over the research along with bestselling coauthors Douglas Abrams and Rachel Carlton Abrams, MD. Together, they have written this definitive guide for men, providing answers on everything from how to approach a woman and build a connection with her to how to truly satisfy her in bed and know when the relationship is on the right track. *The Man's Guide to Women* is a must-have playbook for how to play—and win—the game of love.

God Where Is My Boaz Floyd's FARM-ASSIST

A lady once said that finding a good man

is like looking for a needle in a haystack. This is not and should not be the case. True love is all around you if earnestly you desire it. The book suggests functional approaches to true love as an alternative to the hit-and-miss approach that almost always ends in divorce or heartbreak. The book is for the married or single woman. It is for the married woman who, perhaps, already has a good man and necessarily must keep him. It is for the single woman who now is in search of a good man for a lifetime of joyful romance and companionship. The book examines the good man's qualifying attributes, the meaning of romantic love, the concrete manifestations of love and, importantly, how you recognize and sustain true love when it comes your way. Find a Good

Man and Keep Him is a practical guide that leads you through and away from the hurtful tumbles and stumbles of a failed relationship onto the path of manifest love with a good man.

#### How to be a Victorian Vintage

In the small African republic of Kinjanja, British diplomat Morgan Leafy bumbles heavily through his job. His love of women, his fondness for drink, and his loathing for the country prove formidable obstacles on his road to any kind of success. But when he becomes an operative in Operation Kingpin and is charged with monitoring the front runner in Kinjanja's national elections, Morgan senses an opportunity to achieve real professional recognition and, more importantly, reassignment. After he finds himself being blackmailed, diagnosed

with a venereal disease, attempting bribery, and confounded with a dead body, Morgan realizes that very little is going according to plan.
