As seen in the hit documentary *Three Identical Strangers* • “[A] poignant memoir of twin sisters who were split up as infants, became part of

a secret scientific study, then found each other as adults.”—Reader’s Digest (Editors’ Choice) WINNER OF A BOOKS FOR A BETTER LIFE AWARD Elyse Schein had always known she was adopted, but it wasn’t until her mid-thirties while living in Paris that she searched for her biological mother. What she found instead was shocking: She had an identical twin sister. What’s more, after being separated as infants, she and her sister had been, for a time, part of a secret study on separated twins.

Paula Bernstein, a married writer and mother living in New York, also knew she was adopted, but had no inclination to find her birth mother. When she answered a call from her adoption agency one spring afternoon, Paula's life suddenly divided into two starkly different periods: the time before and the time after she learned the truth. As they reunite, taking their tentative first steps from strangers to sisters, Paula and Elyse are left with haunting questions surrounding their origins

and their separation. And when they investigate their birth mother's past, the sisters move closer toward solving the puzzle of their lives. Praise for *Identical Strangers* "Remarkable . . . powerful . . . [an] extraordinary experience . . . The reader is left to marvel at the reworking of individual identities required by one discovery and then another."—*Boston Sunday Globe* "Absorbing."—*Wired* "[A] fascinating memoir . . . Weaving studies about twin science into their

personal reflections . . . Schein and Bernstein provide an intelligent exploration of how identity intersects with bloodlines. A must-read for anyone interested in what it means to be a family."—*Bust* "*Identical Strangers* has all the heart-stopping drama you'd expect. But it has so much more—the authors' emotional honesty and clear-eyed insights turn this unique story into a universal one. As you accompany the twins on their search for the truth of their birth,

you witness another kind of birth—the germination and flowering of sisterly love.”—Deborah Tannen, #1 New York Times bestselling author of *You Just Don’t Understand* “A transfixing memoir.”—Publishers Weekly

 BESTSELLER • One million copies sold! Inspired by the life of a real World War II heroine, this remarkable debut novel reveals the power of unsung women to change

history in their quest for love, freedom, and second chances. “Extremely moving and memorable . . . This impressive debut should appeal strongly to historical fiction readers and to book clubs that adored Kristin Hannah’s *The Nightingale* and Anthony Doerr’s *All the Light We Cannot See*.”—Library Journal (starred review) New York socialite Caroline Ferriday has her hands full with her post at the French consulate and a new love on the horizon. But Caroline’s world is forever

changed when Hitler’s army invades Poland in September 1939—and then sets its sights on France. An ocean away from Caroline, Kasia Kuzmerick, a Polish teenager, senses her carefree youth disappearing as she is drawn deeper into her role as courier for the underground resistance movement. In a tense atmosphere of watchful eyes and suspecting neighbors, one false move can have dire consequences. For the ambitious young German

doctor, Herta Oberheuser, an ad for a government medical position seems her ticket out of a desolate life. Once hired, though, she finds herself trapped in a male-dominated realm of Nazi secrets and power. The lives of these three women are set on a collision course when the unthinkable happens and Kasia is sent to Ravensbrück, the notorious Nazi concentration camp for women. A "captivating and bittersweet" novel by the #1 New York Times bestselling author of *Summer of '69*: Their secret love affair has lasted for decades—but this could be the summer that changes everything (People). When Mallory

Blessing's son, Link, receives deathbed instructions from his mother to call a number on a slip of paper in her desk drawer, he's not sure what to expect. But he certainly does not expect Jake McCloud to answer. It's the late spring of 2020 and Jake's wife, Ursula DeGounsey, is the frontrunner in the upcoming Presidential election. There must be a mistake, Link thinks. How do Mallory and Jake know each other? Flash back to the sweet summer of 1993: Mallory has just

inherited a beachfront cottage on Nantucket from her aunt, and she agrees to host her brother's bachelor party. Cooper's friend from college, Jake McCloud, attends, and Jake and Mallory form a bond that will persevere—through marriage, children, and Ursula's stratospheric political rise—until Mallory learns she's dying. Based on the classic film *Same Time Next Year* (which Mallory and Jake watch every summer), 28 Summers explores the agony and romance of a

one-weekend-per-year affair and the dramatic ways this relationship complicates and enriches their lives, and the lives of the people they love.

The Island Little, Brown From marriage, infidelity, and the mayhem of motherhood to scandal, tragedy, and illness—three women seek peace and comfort in Nantucket as they cope with life's challenges. Three women—burdened with small children, unwieldy straw hats, and some obvious emotional issues—tumble onto the

Nantucket airport tarmac one hot June day. Vicki is trying to sort through the news that she has a serious illness. Her sister, Brenda, has just left her job after being caught in an affair with a student. And their friend Melanie, after seven failed in vitro attempts, is pregnant at last—but only after learning that her husband is having an affair. They have come to escape, enjoy the sun, and relax in Nantucket's calming air. But into the house, into their world, steps twenty-two-year-old Josh

Flynn. Barefoot weaves these four lives together in a story with enthralling sweep and scope—a novel that is as fun and memorable and bittersweet as that one perfect day of summer. Summer of '69 Algonquin Books

The instant New York Times bestseller is "a fun, delightful, unputdownable novel" about two identical twin sisters who couldn't look more alike . . . or live more differently (PopSugar). Nantucket is only eleven miles away from Martha's Vineyard. But they may as well be worlds apart for estranged twin sisters Harper and Tabitha Frost. After not speaking for

more than a decade, Harper and Tabitha switch islands-and lives-to save what's left of their splintered family. But the twins quickly discover that the secrets, lies, and gossip they thought they'd outrun can travel between islands just as easily as they can. Will Harper and Tabitha be able to bury the hatchet and end their sibling rivalry once and for all? Before the last beach picnic of the season, there will be enough old resentments, new loves, and cases of mistaken

identity to make this the most talked-about summer that Martha's Vineyard and Nantucket have experienced in ages. "Parent Trap vibes with an adult twist...One of Hilderbrand's most binge-worthy confections."

—Elisabeth Egan, New York Times

Do twins begin in the womb? Or in a better place? Kaeleigh and Raeanne are identical down to the dimple. As daughters of a district-court judge father and a

politician mother, they are an all-American family -- on the surface. Behind the facade each sister has her own dark secret, and that's where their differences begin. For Kaeleigh, she's the misplaced focus of Daddy's love, intended for a mother whose presence on the campaign trail means absence at home. All that Raeanne sees is Daddy playing a game of favorites -- and she is losing. If she has to lose, she will do it on her own terms, so she chooses drugs, alcohol, and sex.

Secrets like the ones the twins are harboring are not meant to be kept -- from each other or anyone else. Pretty soon it's obvious that neither sister can handle it alone, and one sister must step up to save the other, but the question is -- who?
