Introducing Velvet Art, the only-from-Klutz deluxe treatment of a classic colouring activity. With artwork created by a gaggle of our favourite illustrators packaged with ten vividly coloured markers, this is a

complete ready to colour kit. But that's just the beginning. Follow step-by-step directions to make a fuzzy photo frame, a tactile maze, a wall hanging and other feel good projects. Velvet art is the most satisfying and forgiving colouring canvas imaginable. Unlike a regular colouring book, in velvet art all the black areas on the page are covered with a deep, dark flocking that makes colouring goof proof. The velvet creates little walls that help keep markers on track and, if you still manage to go over the edge, the flocking soaks it up any stray strokes. Best of all, velvet's rich black depth really makes pen colours go pow!
